

S.S.S. BEST TREATMENT FOR CATARRH

S. S. S. is the best treatment for Catarrh because it is a perfect blood purifier. It is the only medicine that is able to get down into the circulation and entirely remove the catarrhal matter and impurities which produce the trouble. As long as the mucous membranes and tissues are kept inflamed and irritated by this impure and infected condition of the blood Catarrh will remain. Its disagreeable and dangerous symptoms, of ringing noises in the ears, mucus dropping back into the throat, headaches, watery eyes, difficult breathing, and even stomach disorders and weakened health, cannot be permanently relieved until the blood is purified. Nothing equals S. S. S. for this purpose. It goes down to the very root of the trouble, and removes every particle of the catarrhal matter from the blood and enriches this vital fluid so that all the mucous surfaces are supplied with nutritive, healthful qualities, instead of being constantly irritated and inflamed by impurities in the circulation. Then the symptoms begin to pass away and when S. S. S. has entirely purified the blood, Catarrh is permanently cured and the general health greatly built up. Book on Catarrh and any medical advice desired sent free to all who write.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

BOQUILLAS COMPANY MAY ABSORB GREENE CATTLE COMPANY HOLDINGS

Deal Is Reported to be Pending for Transfer of Mrs. Greene's Interests.

According to information reaching the city today the ranches and cattle of the Greene Cattle company along the San Pedro river in Arizona may pass into the hands of the Boquillas Land and Cattle company. It has been known for some time that there have been negotiations on between the representatives of both the big companies and that Henry Street, representative of the Boquillas company was in Bisbee, Ariz., a few days ago with Chas. Wiswold, the general manager of the Greene Cattle company interests, and that they were in consultation with legal representatives at the same time. During the past few weeks Mr. Street has been at Hereford and at Cananea conferring with the representatives of Mrs. Greene and others who own the controlling interest in that company. If the deal is made it will be one of the largest cattle deals that has been made in the territory for a number of years and will involve the transfer of several thousand head of cattle as well as vast farming land and that the consideration will be several hundred thousand dollars.

It has been known for some time that Mrs. Greene was anxious to dispose of the interest of her late husband in the Greene Cattle company and a number

of parties have been looking over the holdings of the company besides the representatives of the Boquillas people, but the present outlook is that a deal will be made with that company. During the past week there has been a change in the management of the Greene Cattle company. John Woolf, who has had charge of the ranch of the company at San Pedro, has taken charge at Hereford instead of Guy Welsh who resigned to take the position as under-sheriff under Sheriff Wheeler, while J. Edwards has taken the place of Pink Murray as range foreman, who has resigned and will spend his time looking after his own cattle, which range in the vicinity of Lewis Springs.

SOUTHWESTERN WILL REPLACE TELEGRAPH WITH TELEPHONE

Railroad preparing to install Block Signal System Along All Its Tracks—Some Signals to Be Put in at Once.

The report that the El Paso & Southwestern railway will install telephones to replace the telegraph system of train dispatching on its lines is not confirmed by superintendent of telegraph Edward Backus. Mr. Backus said there had been no action ordering a change from the telegraph system, although his department had recommended telephones over the lines from Dawson to Tucson, and that he contemplated no order and certainly no change for some months to come.

The Santa Fe and other lines in the central west under similar conditions have found the telephones more satisfactory, and it is but a matter of a short time until the new service is universal.

The Southwestern will begin about February 18 the installation of 30 miles of automatic block signals on its eastern division between Duran and Wink, N. M. This will make 75 miles of the new signals and it is the intention to pursue the installation of automatic block signals until the entire system is so protected.

The work of installation will cost about \$1500 per mile.

Disturbances Across the Border Cut Off El Paso's Mexican Fruits

Aguaes Get In Before Trouble Breaks, but Other Delicacies Are Shy; Eggs Drop a Bit Lower.

OWING to the obstreperous actions of our neighbors across the border, El Pasoans who are fond of Mexican strawberries, limes, peaches and other delicacies, are having to substitute prunes or some other stable articles, that does not come from the land of vivas, tequila and sarapes. A load of aguacates accidentally managed to slip through, so lovers of that Mexican salad dainty will not have to forego it as a dish for this week at least. As to the time after that, Queen sabe.

The market quotations remain about the same as last week, with a few ups and downs. Eggs have gone down another 5 cents, and marketmen say that a drop of an additional nickel is not improbable before the end of the week. Butter ditto. Chickens, live and dressed, have gone down 2 cents, but sirloin steaks have gone up 2 cents. Delicacies prices remain the same, and pork has not fluctuated in the least.

Fruits.
Imported Malaga grapes.....25c lb.
Grape fruit, 10c each; 2 for.....25c
Tangerines.....20c to 25c each

GOOD FLOW OF WATER ON RANCH NEAR BOWIE.
Bowie, Ariz., Feb. 2.—A. F. Barnette & Sons, the well drillers, have struck a strong flow of water at a depth of 330 feet on the Gilchell ranch, north of town. The water rose to within 70 feet of the surface when the flow was struck.

D. W. Wickersham, president of the Solomon Wickersham Co., visited in Bowie a day before continuing his journey to Los Angeles. Prof. C. C. Runch, principal of the Wilcox high school, visited his nephew, W. H. Bunch.

Capt. Thos. Burns, general manager of the Mineral Park mining property, left for El Paso an important mining business.

Miss C. E. Chaney, of Kansas City, is visiting her sister, Mrs. Fred Gould. An enjoyable winter party was given by Mrs. H. R. Hindman, complimentary to J. R. Liver, superintendent of Tucson division of the Southern Pacific, and J. D. Mathews, resident engineer.

HEAD OF PHOENIX GAS COMPANY IS FOUND DEAD.
Phoenix, Ariz., Feb. 2.—A. W. Ballard, president of the Phoenix Gas and Electric company, was found dead sitting upright beside his desk Thursday. Ballard had been in ill health and his friends say the act was due to despondency as a result of ill health.

CHANGES POSITIONS.
A. M. Martin has resigned as superintendent of the Brady (Texas) Water and Light Co., his resignation to take effect March 1, at which time he will go to Waco to assume the active management of the Waco Machine and Supply Co., in which he has purchased an interest.

REVENUE OFFICERS.
The Revenue Inspectors of the El Paso county are from Texas and they have met old friends at the convention and combine pleasure with business. It is understood that Mr. George W. Lettfield, of Austin, Texas, who has large cattle interests in New Mexico; Ike Pryor, of San Antonio, Texas, and other "Long Horn" cattlemen from the Lone Star state will be in El Paso during the convention.

Stomach in Your Vest Pocket

Tablets that have the "Stomach-Pocket" of a Real Stomach—Stuart's Dyspepsia Tablets.

Try Package Sent Free to Prove It.

When your stomach's overworked—and the average person's stomach is overworked a good part of the time—take Stuart's Dyspepsia Tablets and give the stomach a week or a month off. Stuart's Dyspepsia Tablets do more than assist digestion—they actually

digest the food themselves, because they contain only the natural elements of the digestive fluids.

Coated tongue, bad breath, heartburn, belching, flatulency, bloating—all the symptoms of digestive troubles disappear quickly when these tablets are used. They are not a cure for anything but dyspepsia and kindred complaints. But they have brought relief to more sufferers from digestive diseases than all the patent medicines and doctor's prescriptions put together.

The stomach does the heaviest work of any of the bodily organs, yet it's the one we treat with the least regard. We eat too much of the wrong kind of food at any time. The patient stomach stands such treatment as long as it can, and then it rebels. You get notice of the rebellion in the shape of the gases and pains caused by undigested, fermenting food.

Stuart's Dyspepsia Tablets will put the stomach right again in short order, and enable you to eat what you want when you want it. Carry them around with you; they are an actual substitute for a weakened, "all-in" stomach. They act in a hurry when you want relief; they act quickly, promptly, safely and naturally in digesting your food, just as Nature does herself; they bring the stomach back to normal condition.

Stuart's Dyspepsia Tablets are sold and recommended by all druggists at 50c and \$1.00 a box. If you would like a trial package we will send you one, free, on receipt of your name and address. Write to F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Corns Go Quick
No cutting, no cauterizing, no more blisters, no more blood. GETS-IT

The guaranteed cure to so harmless as water, but so sure as fate. It cures corns, calluses, bunions, and all other painful, outlandish conditions. All druggists 25c. F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

TIZ-For Sore Feet
Cures Tired, Aching, Swollen, Sore Feet, Calluses, Bunions and Chilblains right off. At all druggists, 25c for a big box.

Purity in Pastry means

Cottolene

Hogs are not cleanly—hog fat is always under suspicion—and lard is nothing more or less than hog fat.

Cottolene as a frying and shortening medium is just as far ahead of butter or lard as the automobile is in advance of the bicycle, or electric light preferable to gas.

Cottolene is a vegetable shortening—made from pure, refined cotton oil. It may cost a little more per pound—but you need to use only two-thirds as much. It is better and more economical.
